El ecosistema MDC para la
conectividad de operadores

Ecosistema de redes y operadores

La confiabilidad de nuestra infraestructura de **Border Connect Platform™** junto con un proceso diligente y el trabajo en equipo con nuestros clientes nos ha permitido conectar **más de 50 operadores de redes** en nuestro ecosistema a la largo de la frontera, contando con la mayor concentración de operadores mexicanos en los EE.UU. y los principales ISP y líderes de proveedores de contenido.

En MDC ofrecemos interconexiones privadas y peering público a través de **nuestras plataformas de Internet exchange: MEX-IX** en McAllen y El Paso.
